

## FLINTHAM PRIMARY SCHOOL SCHOOL SPORT FUNDING 2018-19

### **Primary School's Sports Premium Funding**

Every school has been allocated **Sports Premium Funding** with the vision that all pupils leaving primary school will be physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

### **Purpose of the funding**

The objective is to achieve self-sustaining improvement in the quality of PE and sport in primary schools

The funding is ring fenced to be spent by schools on improving their provision of PE and sport; however individual schools have the freedom to choose how they do this. The amount Flintham Primary School have been allocated is £17,000.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Further details regarding funding can be found on the Department of Education link to the Primary School's Sports Funding page.

### **Flintham Primary School Context**

At Flintham Primary School, we recognise the contribution of PE to the health and well-being of the children as well as the development of the whole child. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Physical education is education through physical activity: its goal is the development of the individual as a whole, not just their physical development or their proficiency in specific sports.

Through a focus on ensuring physical education at primary school we provide young people with access to physical activity for life as well as build the foundation for future participation and performance in sport.

A high quality PE programme will develop physical literacy and allow children to learn about themselves, the importance of a healthy lifestyle, self-expression and concepts such as fair play and respect. PE also contributes to the development of a range of important cognitive skills such as decision making and analysis, and social skills such as teamwork, communication and leadership.

Our action plan is split into three areas:

- Improvement of Physical Education;
- Improvement of Healthy Active Lifestyles
- Improvement of Competitive School Sport

**Primary Sport Grant allocation for Academic Year 2017-18 = £17,000**

**IMPROVEMENT IN PHYSICAL EDUCATION**

<b>Activity</b>	<b>Pupil Group</b>	<b>Frequency</b>	<b>Cost</b>	<b>Planned Impact</b>	<b>Impact Review</b>
Audit of <ul style="list-style-type: none"> <li>• Equipment</li> <li>• Planning</li> <li>• Teacher Skills and Knowledge</li> <li>• Pupils</li> </ul>	All	Annual audit of equipment	1 day Supply £200	PE Action Plan 2018-19 completed Revised 2 Year PE Curriculum Coaching sessions linked to SSP events Identify and gain an understanding of the physical activity and lifestyle of our children and be proactive in responding to changing needs
