

KEY STAGE 2 SATs RESULTS 2019

Once again our Year 6 children achieved some fantastic SATs results. We are so proud of you and all your hard work. Every one of you was determined to do your best. You are all SUPER SIXERS!

WELL DONE YEAR 6!

Following is a table of our results and comparisons with those of the Local Authority-Nottinghamshire, and Nationally.

We feel it is important to stress that our school is not all about test results. SATs are very important and we will always aspire to have every child achieve their full potential academically. However, we are committed to giving our children a rich and varied curriculum with opportunities to explore local resources, take part in whole school enrichment days and improve their own learning. We aim to provide our children with the tools needed to be life-long learners and develop an interest in the world around them.
