

Family Service - Neurodevelopmental Support Team (NST)

ADHD Support

There are two ADHD courses options for parents of a children with an ADHD diagnosis and those with ADHD type behaviours without diagnosis.

Option 1 - The New Forest Parenting Programme

This programme is delivered over six, face to face groups sessions, this is for parents and carers of children aged 3 to 11 years and it cannot be delivered virtually due to the therapeutic approach in the parenting support.

You can learn about the symptoms and signs of ADHD, the ways in which they may affect your child's behaviour and your relationship with them. You can also learn strategies for managing your child's behaviour and attention difficulties.

Option 2 - The ADHD Workshop

This workshop is suited for the parents and carers of children aged 3 to 18 years.

This ADHD Workshop is a home-grown intervention delivered over four online or face-to-face sessions. It has been devised by our experienced practitioners from health and education services. It provides you with practical support and reassurance to and will increase your understanding of local support services. This is usually delivered via Microsoft Teams online.

Subjects covered include:

- Understanding of the ADHD characteristics and brain development
- Managing behaviour, routines, "meltdowns" and reinforcing positive behaviours
- Supporting young people
- Girls and ADHD
- Access to services and support
- Sensory
- Sleep
- Managing emotions

How to book:

You only need to choose one of the options 1 or 2.

You do not need to be referred by a professional, you can book yourself a place on one of the above courses providing you have a Nottinghamshire GP (excluding Bassetlaw and Nottingham City).

You will need to click the link below, copy/type this link into your browser, or scan the QR code to the right, then complete and submit the online form. We will send you a list of available workshops for both options, usually within 5-10 working days.
