

Key Stage 1 Results

School and National Comparisons

This information allows you to compare your child's performance at the end of key stage 1 with the attainment of other year 2 pupils in our school this year, and across England in 2019 and anticipated figures for 2022.

	Percentage of pupils achieving the expected standard		
Subject	School (2022)	Nationally (2019*)	Anticipated Nationally (2022)**
Reading	75%	75%	68%
Writing	75%	69%	59%
Maths	75%	76%	70%
Science	94%	82%	Figure not available

* Data showing the attainment of pupils in the 2019 key stage 1 national curriculum teacher assessments.

**Data collected from a large percentage of schools across the country has been used to provide anticipated national attainment for key stage 1. The actual national figures are yet to be finalised.
